HOT ZONE

FAQ's

How does Hot Zone work? Hot Zone works by connecting into your existing internet and with the push of a button from you or your staff... Hot Zone will print a set of instructions directing your client how to connect to the internet and giving them access to your internet service for a pre-programmed amount of time.

Example: 15mins (peek times), 1hr (non-peek times) or 30mins (other times).

I don't have Internet, can you organise for me? Yes, we can organise a TPG Internet / Phone plans to suit your business.

How Does Hot Zone work for my business? Hot Zone works for your business by encouraging business professionals, students & technology savvy clients into your business over your competitors, while attracting their repeat business.

Can I do marketing with Hot Zone? Yes, Hot Zone has also been designed as a marketing tool. You are able to print specials on Internet Connection Instructions, advertise competitions or even write a thank you message to your clients. In addition Hot Zone can set your business website as the first website your client visits. Other clients have asked us to link Hot Zone to their facebook page, feedback forms, surveys, etc to help them collect market research and assist with future marketing campaigns.

Hot Zone also comes with shopfront / window posters advertising that your business has internet access available.

Hot Zone Security? Hot Zone comes with a Burglar Alarm to protect itself and your business. We also offer additional wireless sensors, panic buttons and reed switches to further protect your business.

How much does Hot Zone cost? Hot Zone can cost from as little as a cup of coffee per day, we have 3 plans available plus additional security equipment. All plans are customised depending on the needs and requirements of the client.

I am selling my business; can I still get Hot Zone? Yes!! As Hot Zone is rented by the business it remains the responsibly of the business to continue the agreement. In the same principle as the business store lease needs to be paid. Hot Zone can also assist in getting a higher sale price as it is known to increase revenue.

Can I purchase Hot Zone out right? Hot Zone is unable to be purchased out right, as the hardware and software have been designed by Ausecom to meet the requirements of the industry. Hot Zone rental agreements make Hot Zone affordable and eliminate the additional fees relating to servicing, etc.
